

LET'S HAVE A CHOPSTICKS RACE!

HERE'S WHAT YOU'LL NEED:

- A pair of chopsticks for each player
- Two small bowls or plates for each player
- Dry cereal, popcorn or pom poms
- Stopwatch or timer

HERE'S WHAT TO DO:

1. Practice holding your chopsticks. Hold one stick like a pencil, then slide the second stick into the hole created by the thumb and forefinger. Rest the second stick on your ring finger. The thick ends of the chopsticks should point up. Move the first stick (top stick) to open and close your chopsticks.
2. Put an equal amount of cereal, popcorn or pom poms into a bowl for each player. Set an empty bowl next to each full bowl.
3. Get your chopsticks ready. Say "ee, ar, san!" ("one, two, three!") and start the race! Pick up the objects one by one and drop them into the empty bowl.

The first to finish is the winner!

CHOPSTICKS RACE RESULTS

Play the game and record your results here.

Race #	Player 1 Name	Player 2 Name	Winner
1			
2			
3			
4			

WORK TOGETHER TO BEAT THE CLOCK!

Have the players sit in a line or in a circle. Set an empty bowl in front of each player and place a bowl full of small objects (fewer for a faster game) in front of the player who will start the game. Say "ee, ar, san!" and start a stopwatch or timer. The first player will pick up an object and place it in the bowl of the person next to him/her. Then the next player will pick up the object and place it in the bowl of the person next to him/her. Once all the objects have been moved, one by one, from the first player all the way to the last player, stop the timer. How quickly can your team move all the objects?
